Traffic Calming Proposals  
for Whichers Gate Road

**To all residents and interested parties,**

Detailed planning permission was granted on the 07 June 2017 for the development of land south of Oaklands House, Redhill Road, Rowlands Castle, comprising 106 dwellings and associated works. Following discussions with Hampshire County Council as Highway Authority, the developer, Bellway Homes, has agreed to present proposals for traffic calming measures on Whichers Gate Road (B2148) associated with the approved development.

We invite you to attend an exhibition which is being held at Rowlands Castle Parish Hall so that local residents are able to view the draft scheme and members of the project team will be available to answer any questions that you may have.

A comments box will be presented at the venue and we welcome you to share your views and input on the proposal. In advance of the exhibition, should you have any queries, or if you are unable to attend and would like further information, please feel free to get in contact with Patrick Barry at WYG Planning & Environment.

**Telephone: 02382 022800**
